City Avenue Campus (Grades 6-12) • 1101 City Avenue • Wynnewood, PA 19096

**Educating for Excellence Since 1845 • [friendscentral.org](http://friendscentral.org)**

**Mission:** We cultivate the intellectual, spiritual, and ethical promise of our students

**Vision:** To awaken courage and intellect – and peacefully transform the world

### **Friends' Central School Overview**

Friends' Central School is an independent, coeducational Quaker day school founded in 1845 and serving approximately 800 students in Nursery through grade 12. Located in the Philadelphia suburbs, the School has two campuses. The Middle & Upper Schools are located just outside of West Philadelphia in Wynnewood, and the Lower School is on our Old Gulph Road campus in the heart of Wynnewood.

The exceptional faculty at Friends' Central offers a curriculum that cultivates the intellectual, spiritual, and ethical growth of our students. Our pedagogy is grounded in continuing revelation, reflection, integrity, and a willingness to accept responsibility. From Nursery to grade 12, our students participate in a process designed to foster creative, critical, and flexible thinking, along with compassion. As they transform from playful children to skilled, self-possessed teenagers, they are always intellectually curious and engaged thinkers. Friends' Central prepares graduates to succeed in college and in life.

### **Upper School Math Teacher**

Friends' Central's Upper School seeks a dedicated, enthusiastic math teacher for a full-time position beginning in August 2020. Candidates should have experience teaching math, a bachelor's degree in a related field, and a passion for working with high school students. Although not required, an advanced degree is preferred.

Qualified applicants will be able to teach Algebra I through Linear Algebra. We will prioritize candidates with an interest in data science, coding, and design thinking, who are willing to create elective courses in those areas.

**In addition to having a professional and educational background in math, we seek someone who will:**

- Be an enthusiastic teacher and supportive guide for Upper School students
- Continue to develop and coordinate our math curriculum with other members of the math department
- Stay current with best practices in teaching and the teaching of math, including incorporating technology and differentiated instruction
- Be an engaged member of the Friends' Central faculty and wider community
- Have the mindset and ability to work in partnership with parents
- Enhance the School's commitment to diversity and inclusivity
- Understand and be committed to the School's Quaker values and mission

This position may also involve being an advisor and leading a club. Therefore, candidates should possess excellent interpersonal skills, communication skills, and an understanding of the developmental needs of students.

Qualified applicants should submit a cover letter, resume, and three references to [careers@friendscentral.org](mailto:careers@friendscentral.org).

*Friends' Central School seeks candidates with a commitment to fostering an inclusive learning community who will address issues of diversity, as well as enhance the Philosophy of Inclusivity and Awareness articulated in our [Diversity Statement](#).*
